

Walldorf Consulting AG Received SAP Recognized Expertise in SAP S/4HANA®

European consulting firm successfully completed requirements to achieve SAP Recognized Expertise in SAP S/4HANA®

WALLDORF, Germany – March 24, 2021 — Walldorf Consulting AG, a European consulting firm with offices on three continents, today announced that it was been awarded an SAP Recognized Expertise designation in SAP S/4HANA®. The designation was granted based on the company’s specific expertise in SAP S/4HANA and the successful completion of SAP Recognized Expertise requirements in the SAP® PartnerEdge® program.

Walldorf Consulting AG is a fast-growing SAP gold partner in the SAP PartnerEdge program, providing consulting services with a strong focus on financial management for enterprise management solutions from SAP, including SAP Business Suite, SAP ERP, SAP S/4HANA and SAP S/4HANA Cloud. Founded in 2015, Walldorf Consulting AG has earned the trust of major global corporations in record time.

Hanno Hofmann, Company founder and CEO of Walldorf Consulting AG commented, “We are particularly proud of this new recognition of the quality of our customer services. This SAP Recognized Expertise designation in SAP S/4HANA is validation that our customer policy and employee strategy are bearing fruit. Less than a year after being elevated to SAP gold partner status, Walldorf Consulting AG continues to expand while maintaining a strong focus on the quality of its services.”

Walldorf Consulting AG extended its portfolio with the creation of an App-Factory in (Riga) Latvia for SAP applications. The company offers an application development service on demand. These applications, based on SAPUI5 and delivering a consistent user experience with SAP Fiori®, have the advantage of being available at any time on mobile devices. In addition, the company offers packaged service solutions to assist businesses that use SAP solutions in all phases of a transition from an enterprise management solution to SAP S/4HANA.

As an SAP partner in the SAP PartnerEdge program, Walldorf Consulting AG has access to a broad range of software tools and solutions for its clients. SAP PartnerEdge program provides the enablement tools, benefits and support to facilitate building high-quality, disruptive applications focused on specific business needs – quickly and cost-effectively, for mutual business success for customers, partners, and SAP.
