

For the cooperation in our international customer projects we are looking for a

SOLUTION MANAGER SAP FINANCE (M/F/D)

Walldorf Consulting is a consulting company for SAP and IT. Since our foundation in 2015, we have been advising our customers on the integration and transformation of their (financial) processes in ECC and S/4HANA. To complement our team of 50 consultants, we are looking for new colleagues who want to grow with us and tackle the challenges of our customers.

Depending on the location of our customer, you will be working on projects in Germany and abroad, or supporting your contacts remotely and from home.

YOU ARE BURNING FOR CHALLENGES?

- You accompany customer projects for the transformation of financial processes into SAP S/4HANA and develop SAP implementation and rollout strategies as a competent project manager
- As a trusted advisor, you are the interface for design, implementation, migration, functional and integration testing, training, go-live and support, and coordinate project objectives
- You support the acquisition of new customers and orders
- You take over the expansion of our S/4HANA Finance team and its portfolio and are mentor and coach for younger colleagues

CONVINCE US WITH YOUR POTENTIAL!

- At least 5 years of professional experience as a consultant (m/f/d) for SAP Finance or Controlling.
- Experience in (partial) project management of SAP S/4HANA transformation projects
- In-depth knowledge of the S/4HANA world and cloud technologies
- You are a team player and enjoy leading (international) teams
- Strong communication skills and business fluent in German and English

WHAT YOU CAN EXPECT FROM US

- Attractive salary and profit-sharing
- Individual training and development plans tailored to your needs, as well as certifications
- Pleasant colleagues and a friendly management culture
- Flat hierarchies and direct decision-making channels
- Flexible working hours and home office
- Attractive company car offer
- Modern IT equipment, also for private use

ARE YOU INTERESTED? WE'RE LOOKING FORWARD TO MEETING YOU!

For us, consulting is more than just a job. We enjoy our work and our cooperation, and we do it in a respectful, helpful and open manner. If you also value your team and recognize yourself in the description, apply to us today.

In case you have any questions, [Christine](#) and [Simon](#) will be happy to help you at any time.
