

For the cooperation in our international customer projects we are looking for a

SAP FICO S/4HANA CONSULTANT (M/F)

Walldorf Consulting is a consulting company for SAP and IT. Since our foundation in 2015, we have been advising our customers on the integration and transformation of their (financial) processes in ECC and S/4HANA. To complement our team of 50 consultants, we are looking for new colleagues who want to grow with us and tackle the challenges of our customers.

Depending on the location of our customer, you will be working on projects in Germany and abroad, or supporting your contacts remotely and from home.

YOU ARE ON BURNING FOR CHALLENGES?

- As part of the team, you will advise our customers on the transformation of their financial processes in SAP S/4HANA by actively redesigning and optimizing business processes
- You accompany implementation projects from the conception to the introduction of the solutions
- As a trusted advisor, you are the interface for conception, implementation, migration, functional and integration testing, training, go-live and support
- You independently plan and lead workshops with customer contact persons
- You coordinate our international implementation teams and take over (partial) project management tasks

CONVINCE US WITH YOUR POTENTIAL!

- Experience at least 6 years in SAP FICO with minimum 4 end to end project implementation support.
- Experience at least 1 year in S/4HANA Finance experience in project support
- Strong understanding in Financial and Accounting business processes
- Experience at least 3 years business process knowledge and blue printing experience
- Experience in conducting fit-to-standard workshops, strategic alignment with executives, solution development and implementation, and closing business.
- Travel to support clients worldwide based on the project requirements.
- You are a team player and enjoy working in (international) teams
- Strong communication skills as well as business fluent English skills

WHAT YOU CAN EXPECT FROM US

- Attractive salary, Allowance, and Bonuses
- Medical, Dental & Travel insurance
- Friendly colleagues and a sympathetic management culture
- Flat hierarchies and direct decision-making channels
- Flexible working hours and home office
- Training and certification in SAP solutions and modules
- Modern IT equipment, also for private use

ARE YOU INTERESTED? WE'RE LOOKING FORWARD TO MEETING YOU!

For us, consulting is more than just a job. We enjoy our work and our cooperation, and we do it in a respectful, helpful and open manner. If you also value your team and recognize yourself in the description, apply to us today. In case you have any questions, [May](#) will be happy to help you at any time.
