

For the cooperation in our international customer projects we are looking for a

(SENIOR) SAP CONSULTANT FINANCE (M/F/D)

Walldorf Consulting is a consulting company for SAP and IT. Since our foundation in 2015, we have been advising our customers on the integration and transformation of their (financial) processes in ECC and S/4HANA. To complement our team of 50 consultants, we are looking for new colleagues who want to grow with us and tackle the challenges of our customers.

Depending on the location of our customer, you will be working on projects in Germany and abroad, or supporting your contacts remotely and from home.

YOU ARE BURNING FOR CHALLENGES?

- As part of the team, you will advise our customers on the transformation of their financial processes in SAP S/4HANA by actively redesigning and optimizing business processes
- You accompany implementation projects from the conception to the introduction of the solutions
- As a trusted advisor, you are the interface for conception, implementation, migration, functional and integration testing, training, go-live and support
- You independently plan and lead workshops with customer contact persons
- You coordinate our international implementation teams and take over (partial) project management tasks

CONVINCE US WITH YOUR POTENTIAL!

- At least 2 years of professional experience as a consultant (m/f/d) for SAP Finance or Controlling
- Knowledge of financial processes, as well as in accounting according to HGB and IFRS
- You are a team player and enjoy working in (international) teams
- Strong communication skills as well as business fluent German and English skills

WHAT YOU CAN EXPECT FROM US

- Attractive salary and profit-sharing
- Individual training and development plans tailored to your needs, as well as certifications
- Friendly colleagues and a sympathetic management culture
- Flat hierarchies and direct decision-making channels
- Flexible working hours and home office
- Attractive company car offer
- Modern IT equipment, also for private use

ARE YOU INTERESTED? WE'RE LOOKING FORWARD TO MEETING YOU!

For us, consulting is more than just a job. We enjoy our work and our cooperation, and we do it in a respectful, helpful and open manner. If you also value your team and recognize yourself in the description, apply to us today.

In case you have any questions, [Christine](#) and [Simon](#) will be happy to help you at any time.
